*Play home and away matches
against other teams in your area!*

- Teams consist of a minimum of at least three players (same gender) A facility or club may have multiple teams in the same division level.
- Format is seven games – each game won is a point in a team's total score. Home team has choice of four seven-game formats (various combinations of singles and doubles).

- Length of season depends on the number of teams in each league, but usually four to six weeks. All players will receive a numeric rating from Railstation.
- Your team has choice of day and time for home matches. Only one or two courts are required.

• **ANYONE can form a team.** Registration begins in January and teams matches begin in February – email us at join@playNBL for more information

• Winning teams from each league advance to the NBL Championships in June, 2012 (location TBA)
