All skill levels can participate!

NBL Recreational Leagues are for everyone!

NBL Recreational Leagues are played at clubs, schools, community centers, YMCAs, parks, backyards – anywhere a badminton court can be set up

NBL Recreational Leagues provide weekly matches in a structured program, and NBL ability levels give everyone compatible matches

Participants may “play up” in ability levels – see NBL web site for description of ability levels

Opportunity for winning teams to advance to State/Province Playoffs, Sectional Playoffs, and NBL Championships

I'm very excited to be involved in the development of the National Badminton League throughout North America. The league structure is ideal for exposing badminton to all ages and abilities. Eventually, I want to see NBL leagues played in hundreds of cities and towns. Helping to increase the popularity of this great sport will be one of my most satisfying achievements.
